

## Girls Football Tournament

On the 11th of November a team of 9 girls went to a football tournament at Christleton High School .

They played really well and the scores for the three matches they played were:

- 1st match: 1-0 to the opposition
- 2nd match: 1-1
- 3rd match: 0-0

It was a really well played tournament and we had lots of support at the side line from parents.
