

Privacy Notice - Data Protection Act 1998: How we use your information

We Belgrave Primary School process personal information relating to our pupils and may receive information about them from their previous school or college, local authority, the Department for Education (DfE) and the Learning Records Service. We hold this personal data to:

- Support our pupils' learning
- Monitor and report on their progress
- Provide appropriate pastoral care; and
- Assess the quality of our services

Information about our pupils that we hold will include their contact details, national curriculum assessment results, attendance information¹, any exclusion information, where they go after they leave us and personal characteristics such as ethnic group, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

We will not give information to anyone outside the school without your consent unless the law and our policies allow us to. We may pass on personal information for child protection reasons or to other relevant agencies or partners.

We are required by law to pass some information to the Department for Education (DfE).

If you want to see a copy of the information we hold and share then please contact Juliette Benton.

DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Decisions on whether DfE releases this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level and sensitivity of data requested and the arrangements in place to store and handle the data. To be granted access to pupil level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements and retention and use of the data.

For more information on how this sharing process works, please visit: <https://www.gov.uk/guidance/national-pupil-database-apply-for-a-data-extract>
