# Phase 3 Phonics Workbook

## Helpful hints for parents and practitioners

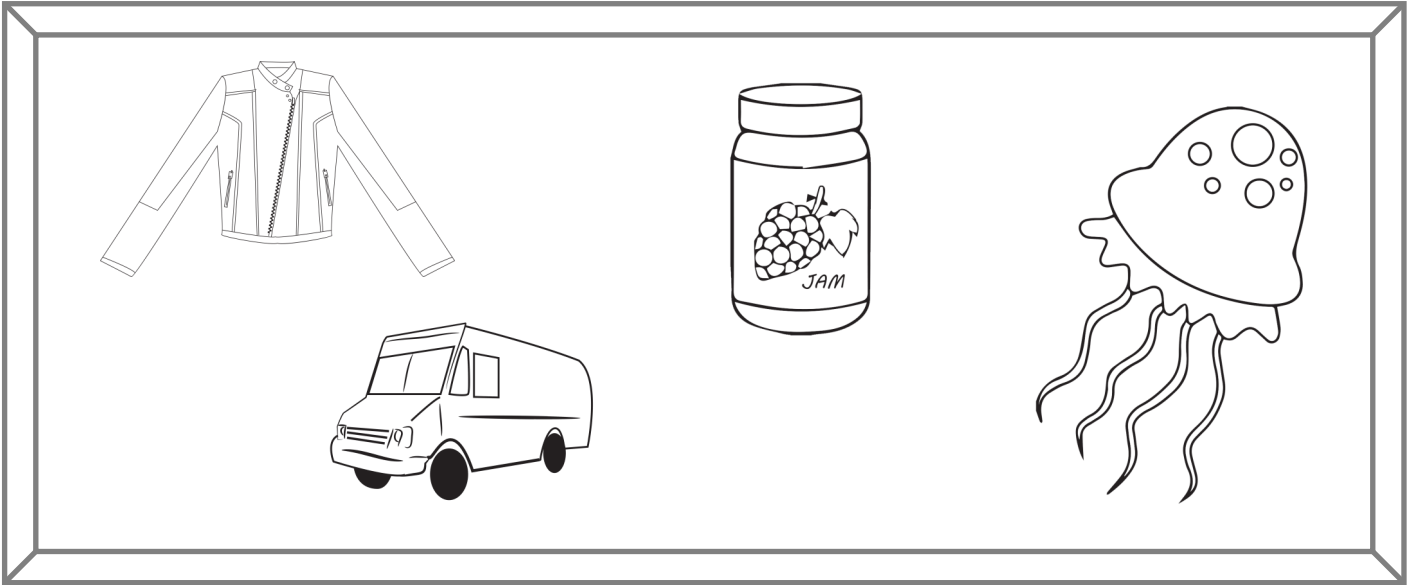

- This book follows the government's recommended phonics teaching programme, the Letters and Sounds.
- Start at the beginning of the book and try to work through the activities in order.
- Make sure you pronounce the sounds the correct way. There are many videos on YouTube that can help with that.
- You can photocopy the pages that you need and use them as worksheets with the children.
- Keep the sessions short and use lots of praise.
- Make your phonics sessions fun and rewarding. Agree on a small reward for each star (e.g. stickers) and a slightly bigger reward for 5 or 10 stars (e.g. a new book).
- Here are some other more practical activities that you can try with your child:
  - Can you spot your new letter in your story book?
  - I spy with my little eyes... Is there anything in the room that begins/ends with your new sound?
  - Is there anyone in the family who's name begins with the new sound?
  - Can you spot your new letter when you are out shopping?
  - Be positive and appreciate your child's hard work!
  - Check out our online phonics games at [www.epicphonics.com](http://www.epicphonics.com)

We wish you lots of fun and learning!

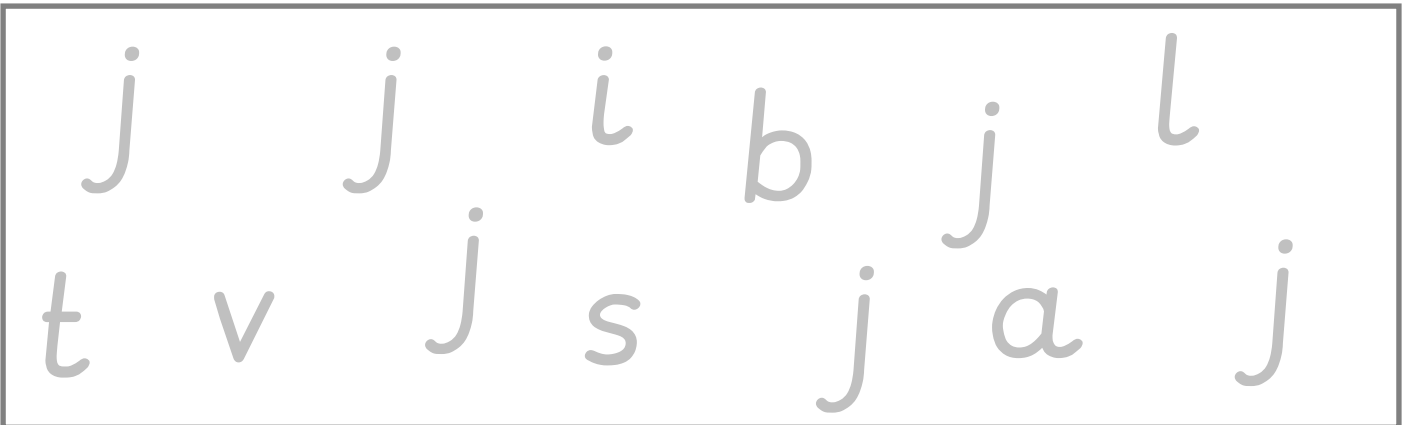

Name: \_\_\_\_\_

# Jj

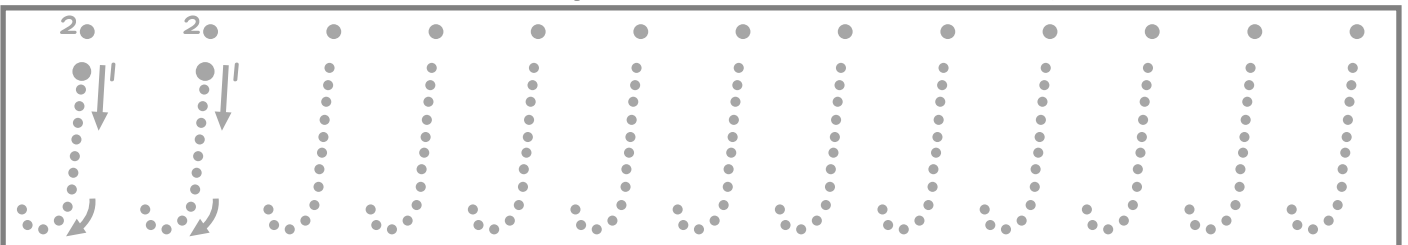

Colour in the pictures that begin with the j sound.

Can you find and circle the letter j?

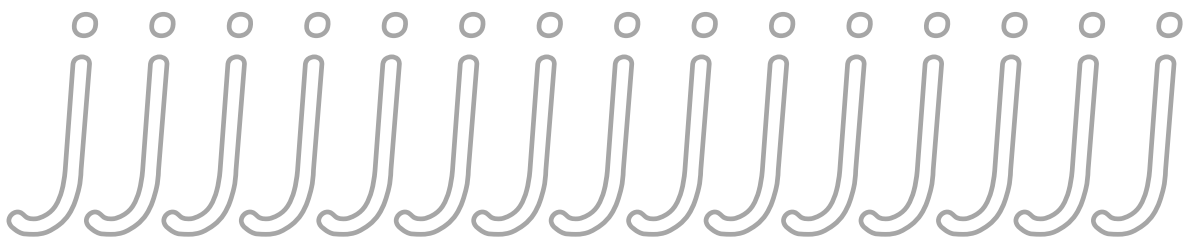

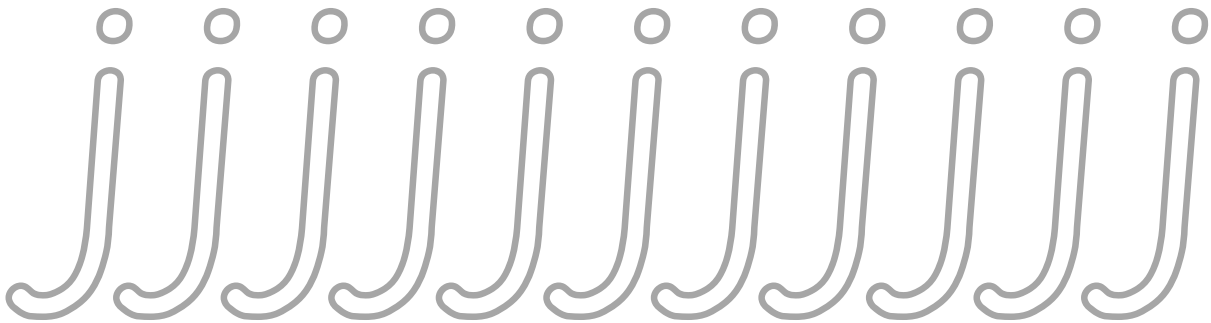

Let's write the letter j. Start on the big dot.

Now it's your turn to write the letter j!

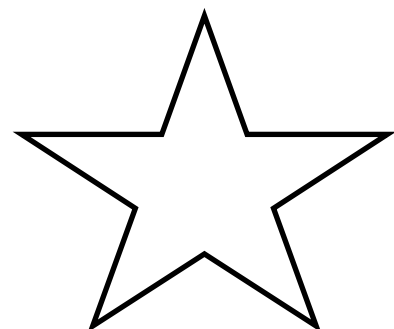

Trace the letter and say the sound it makes.

Now it's your turn to write the letter j!

Well done for working so hard!

Colour in your special star!

Read, trace over and copy the words.

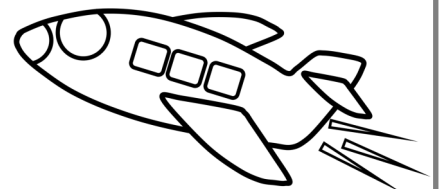

jam

jog

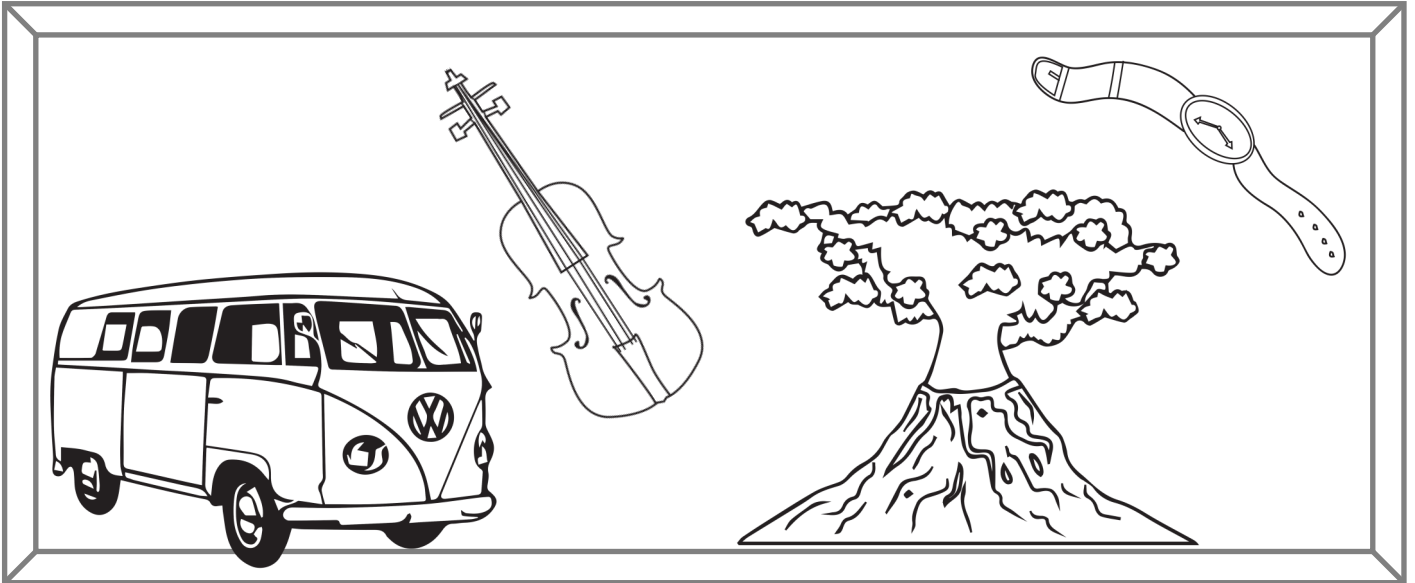

jet

Name: \_\_\_\_\_

Vv

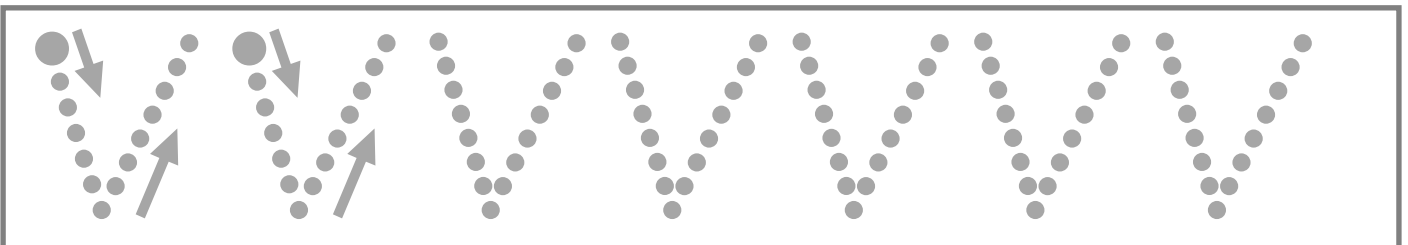

Colour in the pictures that begin with the v sound.

Can you find and circle the letter v?

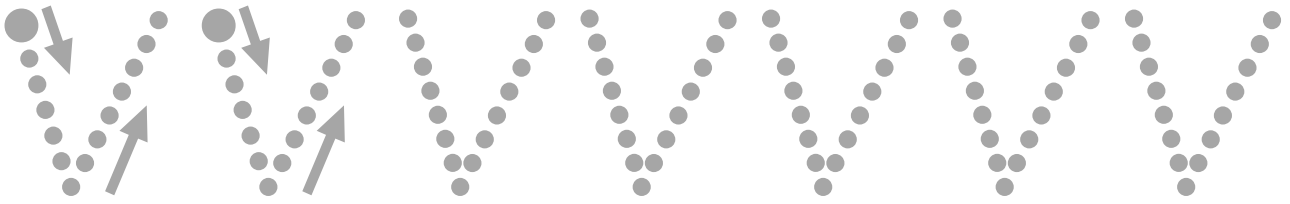

Let's write the letter v. Start on the big dot.

Now it's your turn to write the letter v!

Trace the letter and say the sound it makes.

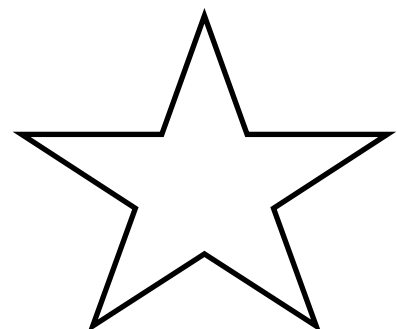

Now it's your turn to write the letter v!

Well done for working so hard!

Colour in your special star!

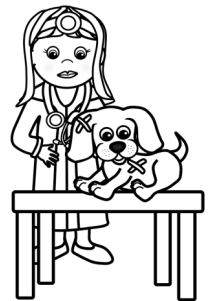

Read, trace over and copy the words.
